

Company Profile

Mane Clothing Ltd.
&
Mane Washing Ltd.

Vision :

Be an unmatched apparel manufacturing solution.

Mission :

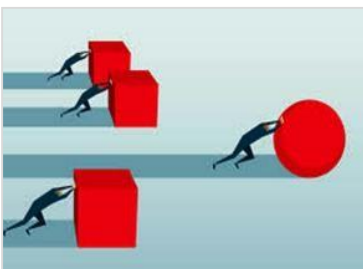

To produce a wide range of apparels with exceptional price, innovative designs and value addition.

Values :

Commitment:

We value our commitments for on time delivery, quality and sustainability.

Efficiency:

We set high efficiency standard to run our core functions to excel.

Compliance:

We test our social & technical compliance rigorously & routinely for accountability & transparency.

About Us :

Shining Washing Plant was located at Alinagar, Satarkul Road, Badda, Dhaka which was established in 2006. The plant was one of the known washing and expert dyeing plant since doing many branded customers in the world. Due to the social or natural commitment the plant has been transferred to Dhamrai at its own building named Mane Washing Ltd. Adding most modern ETP (Effluent Treatment Plant) is one of the modern washing plants in Bangladesh. Newly established in 2019 and running with same manpower and technical expert, situated in Plot no. 1682/1683, Kelia, Dhamrai, Dhaka 1350, Bangladesh. Kasturi Parveen Runa is our honorable Chairman and Md. Ariful Haque is our Managing Director since we started our journey. We are almost the fast growing business conglomerate with EUROPE as well as JAPAN. This washing plant is set up with the state-of-the-art machinery not only to cater our internal requirements but also to cater the needs of outside customers.

Mane Clothing Ltd. a Private Limited Company started its journey as a 100% Export Oriented Readymade Garments manufacturing and exporting industry in 2014. The company is exporting RMG to different popular and famous customers of the USA, Europe and Asian Countries, like Japan.

Present global market is extremely competitive. Keeping this in mind and upcoming trend of fashionable and value-added apparels, we are trying to set a benchmark in this industry with our long experience and commitment of manufacturing quality garments under lawful conditions. To cope up with the more diverse consumers buying behavior, enhanced customer expectations, shorter delivery cycles and more complex human rights issues, we have planned this new semi- composite project – MANE CLOTHING LTD.

TOP MANAGMENT:

Kusturi Parveen(Runa)
Chairman

Md.Ariful Haque
Managing Director

**Manufacturing:**

Our dedicated teams ensure high quality and craftsmanship standard remains consistent whether order quantity is 1,000 or 100,000 pieces.

**MOQ:**

Minimum order quantity is 2,000 pieces per color, per style. A large order quantity allows higher efficiency at a reduced manufacturing cost.

**Lead Time:**

- 90 days from fabric approval (imported fabric by sea shipment)
- 120 days from fabric / print design or color selection (imported fabric by Sea shipment).

**Process & Quality:**

A strict regime of internal audits, critical process check, 3rd party testing on fabric / accessories / garments and Pre-final Inspection @ AQL 2.5 are done prior to shipment.

**Product:**

We manufacturer value added and fashion products: Ladies tops, blouse, dress, skirt, night wear, girl's dress, hospital uniform, school uniform and men's casual wear shirts, shorts and boxer.

**Design & Development:**

We can assist customer creating fits and design for garments. We offer choices of fabrication, wide range of accessories and different packaging method: flat pack, boxed pack, hanging garments, etc.

**ERP (Enterprise Resource Planning):**

Our core functions are based on Enterprise Resource Planning (ERP). We strive continuously to reduce wastage of materials and increase production efficiency.

**HR Policy:**

We follow a strict Code of Conduct (CoC) imbedded in our corporate HR policy – a guideline to follow our company's rules and regulations and value every individual, including our employees and customers.

**Electronic Payment System:**

Our electronic payment system for salary and bill payments has reduced cost, eased payment method, heightened security and reduced financial risk.

MACHINERY & EQUIPMENT

To guaranteed production of the highest quality a group of 200 people including operators, assistant operators, quality inspectors and supervisors are working frequently under the direct supervision of the production manager, dyeing manager and AGM.

We have equipped our LAB with specialized machineries for specific works. A lot of our machines are incorporated (as required for specific operations) and most of our specialized machines are computerized imported from CHINA. Some of our specialized machines are:

- Washing Machine
- Boiler
- Hydro
- Dryer
- Compressor
- Other machinery equipped fully.

PRE-WASHING INSPECTION

Pre-wash inspection of a house prior to soft washing it. We always check all exterior electrical accessories before we wash a house. To produce a garment with the highest quality, extra attention has to be given to the fine detailing of the product. This is done by our finishing section.

Comprising of 20 highly skilled quality inspectors and the finishing section makes sure only the highest quality product reaches the customers.

RANGE OF PRODUCTS AND TYPE OF TEXTILES USED.

We produce all range of treatment on woven garments. Sometimes we do different treatment on knit garments also. We do tie dye garments dyeing, whisker, PP, blasting look, and any kind of garment like RFD, denims.

We pride ourselves highly experienced of doing different treatment on mixed fabric made jackets.
