

**Debonair Group**

**Sustainable Project and Product**

## Sustainable Project footprint

- ➔ Using 448kwh solar system (Reduced 8% Emission)
- ➔ Recycling domestic waste water through STP - 180m3/day capacity
- ➔ Using EGB boiler to reduce GHG emissions. (Reduced 4% Emission)
- ➔ Use of energy efficient lights and motors.
- ➔ HIGG FEM Environmental verified score 73.8%
- ➔ ISO 14001:2015 EMS Certified
- ➔ LEED Certified.
- ➔ Rain Water harvesting project is in progress and will be completed within 3 month
- ➔ RDS Certified Production unit

## Sustainable Product and Feature

Product  
Feature

- 100% Recycle Polyester shell and Lining
- 100% Recycle polyester padding and sewing thread
- Very light weight
- Lucrative diamond quilt design

Customer : ARKET Product: Girls Insulated Jacket, FOB \$ 21.51 USD

## Sustainable Product and Feature

Product  
Feature

- 100% Recycle Nylon Shell fabric
- 100% Recycle Polyester Lining
- 100% Recycle Padding
- CF closed with Metal zip
- Super soft padding with highest comfortability

Customer : ARKET Product: Girls Insulated  
Bomber Jacket; FOB \$ 23.26 USD

## Sustainable Product and Feature

Product  
Feature

- 100% BCI Cotton Shell fabric
- 100% BCI Cotton collar cord
- 100% Recycle polyester Lining
- 100% Recycle padding
- Collar cord enhance extra cozy feel
- Inside diamond quilt Design

Customer : ARKET Product: Boys  
Insulated Jacket, FOB \$ 19.87 USD

## Sustainable Product and Feature

Product  
Feature

- 100% Organic Cotton Shell Fabric
- 100% Recycle polyester Collar pile
- 100% Recycle polyester Lining
- 100% Recycle Padding
- Elastane Rib ensure best fit
- Onion quilt design
- Neck warmer

Customer : ARKET  
Product: Girls Insulated  
Jacket- FOB \$ 21. 87 USD

## Sustainable Product and Feature

### Product Feature

- 55% Recycle polyester & 45% BCI cotton shell fabric
- 100% BCI Cotton body Lining
- 100% Recycle poly padding
- Durable water repellent PFC Free
- Insulated Hood

Customer: Timberland Product: Men's  
Insulated Jacket; FOB \$ 52.90 UDS

## Sustainable Product and Feature

Product  
Feature

- 100% Recycle Nylon Shell fabric.
- PFC FREE DWR & W/P & MVP, PU membrane
- 100% Recycle duck down filler
- 100% Recycle polyester lining
- FP: 650 FP
- Wind resistant
- Water proof

Customer: Timberland Product: Recycle  
Duck down Jacket, FOB \$ 68.70 UDS

## Sustainable Product and Feature

A6G39

Product  
Feature

- 100% Nylon textured matt down poof, PFC Free DWR shell fabric
- 100% Recycle Polyester Lining
- VX ECO Padding
- Thermarange
- Durable water repellent

Customer: Timberland Product: Insulated Hooded Puffer, FOB \$ 38. 80 USD

## Sustainable Product and Feature

Product  
Feature

- 77% Recycled Post-Industrial Cotton, 23% Recycle Nylon shell fabric
- Wax finish shell fabric
- 100% BCI Cotton Lining
- Peach Finish, PFC Free DWR
- No Iron/steam required at all

Customer: Timberland  
Product: Men's Wax Jacket,  
FOB \$ 55.80 USD

## Sustainable Product and Feature

Product  
Feature

- 100% Recycle polyester shell fabric
- Softshell with Overall Print
- Reflective sign

Customer: Tom Tailor Product: Kid's softshell jacket, FOB \$ 15.5 USD
